PROFILE OF SABIE FORESTRY SUPPLIES (PTY) LTD T/A HLATINI Farm, Forest & Garden

HLATINI started trading in April 1994. It is based in Sabie (Mpumalanga)

It is a retail store with workshops and counter sales. Large orders are also handled with competence.

Deliveries are done countrywide on a daily basis via our own transport or per courier service. We have recently started exporting to Mozambique.

We supply professional equipment and service to Government departments, Local Councils, Forestry, Conservation, Terrain maintenance, Park & Garden Maintenance and Industrial companies.

We are appointed Dealers, Sub dealers and Agents for some of the most professional brands like: ARYSTA Agricultural chemicals, Osatu spraying systems, Spraynozzle, Reapers, Husqvarna, Yamaha Power Products, Briggs & Stratton, Honda and many more.

Our main lines of supply and service are:

1. Chainsaws, Brushcutters, Lawnmowers, Pruning equipment, Pumps, Generators etc. We supply new units, spares and accessories and have a workshop with full time trained technicians who service and repair machines
2. Specialists in Pest & Weed control products and spray equipment.
3. Personal Protective Equipment and clothing. Safety signs, Visibility vests, boots etc.
4. Garden equipment, hand tools, spades, rakes, hoses, slashers, cane knives, axes, pruning saws, wheelbarrows etc. Complete Lasher range.
5. Fire fighting equipment and tools. Flame retardant products, additives and clothing.

Should you have any enquiries please do not hesitate to contact myself or the sales manager at any of the above numbers.
